Purpose of this document

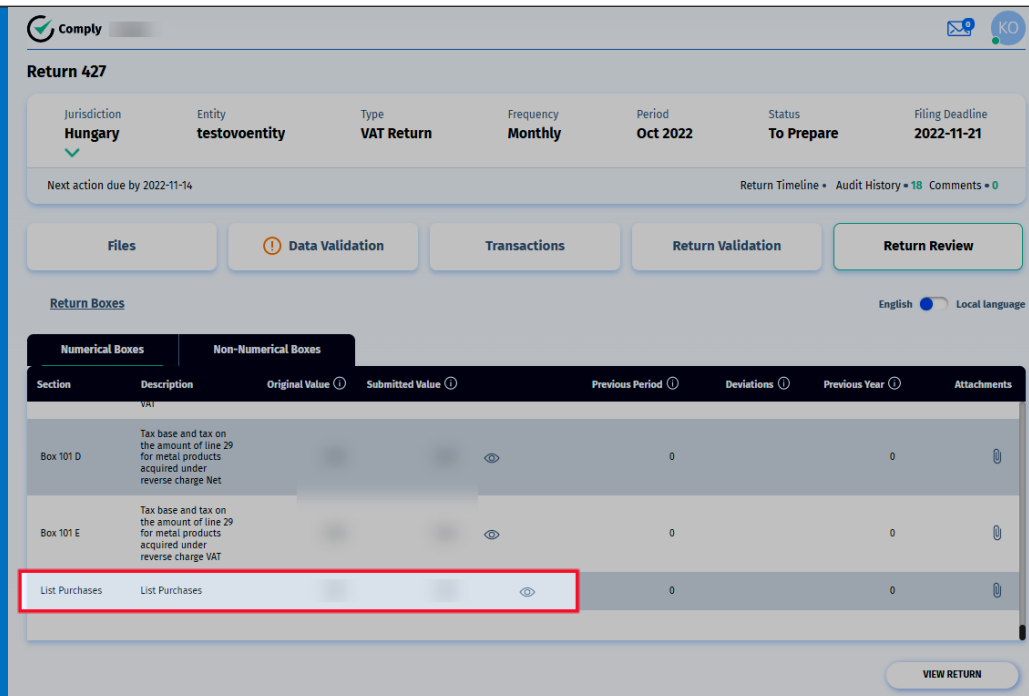

The purpose of this document is to provide guidance, context, and instruction to users preparing M Sheets for Hungary as part of the VAT Return.

1. Introduction?

When filing a VAT Return/Amendment VAT Return for Hungary, a relevant additional M Sheet box will be generated for the Return.

Example:

The requirement is to generate the **List Purchases** box, which will be generated and displayed in the Return Review tab (Numerical Boxes) in Comply.

2. Numerical Box

Once the Data has been uploaded (via API or File Upload), the data goes through the relevant data validation and generates the relevant boxes.

Navigate to: Return > Return Review > Numerical Boxes

The new boxes are generated at the bottom of the Numerical Boxes list, so the user will be required to scroll to locate them.

The screenshot shows the 'Return 427' interface for Hungary. The 'Return Review' tab is selected and highlighted with a red box. Below the tabs, the 'Return Boxes' section is visible, with the 'Numerical Boxes' tab selected. A table lists various boxes, including 'Box 101 D', 'Box 101 E', and 'List Purchases'. The 'List Purchases' row is highlighted with a red box, and a red dashed arrow points from the 'Return Review' tab to it. The table has columns for Section, Description, Original Value, Submitted Value, Previous Period, Deviations, Previous Year, and Attachments.
