3. Czech Republic

3.1. New Reduced VAT Rate

A new **Reduced VAT Rate of 12%** has been added to the VAT Rate drop-down option when preparing a Template (Creating New/Amending Existing).

The screenshot shows the 'Map tax transaction codes' interface with the title '27 CODES MAPPED SUCCESSFULLY'. Below the title is a instruction: 'Enter your tax transaction code and choose the corresponding elements it applies to. Add as many as you would like.' The interface contains several dropdown menus for mapping transaction codes. A red box highlights the 'VAT RATE' dropdown menu, which is open and shows two options: '12.00' and '15.00'. A mouse cursor is pointing at the '15.00' option. Other visible dropdowns include 'TAX TRANSACTION CODE', 'JURISDICTIONS' (set to 'Czech Republic'), 'ENTITY CODE', 'TRANSACTION TYPE', 'TRANSACTION CATEGORY' (set to 'Domestic purchase'), 'GOODS OR SERVICES' (set to 'Goods'), 'GOODS OR SERVICES SUBCATEGORY', 'REVERSE CHARGE' (set to 'No'), 'VAT RATE CODE' (set to 'Reduced'), 'EXPENSE TYPE', and 'DEDUCTIBILITY' (set to 'Deductibility').

3.2. Absolute Values for Credit Notes

5. Estonia

5.1. New Standard VAT Rate

All relevant screens have been amended to accommodate the new VAT Rate for 2024 returns:

- Templates (Creating and Existing)
- Data Validation Rules
- Return Review (Numerical Boxes)

5.2. Templates

To accommodate changes made for 2024, the following changes have been made to the Templates screens.

5.2.1. New Standard VAT Rate

The screenshot displays a web interface for the Taxback system. At the top, there is a header bar with a green checkmark icon and the text 'EE-1-11'. Below this, a table is visible with columns for 'GOODS OR SERVICES' and 'GOODS OR SERVICES SUBCATEGORY'. The first row shows 'Goods' under 'GOODS OR SERVICES' and 'Goods or Services subcategory' under 'GOODS OR SERVICES SUBCATEGORY'. A dropdown menu is open, showing 'VAT RATE' with options for '20.00' and '22.00'. The dropdown menu is highlighted with a red border. The background of the interface is blue and grey.

☐ 22.00

5.2.2. New Sub-Category

A new Sub-Category “B2C sales of goods to Non-EU Travellers VAT refunded” has been added to the drop-down options during tax code mapping when preparing a template.

5.3. Data Validation

On the Data Validation tab, Rules C1.14 and C2.14 (when turned on) do not flag errors for the new rate for 2024 onwards.

Example:
