### 3.2. PDF, Excel & XML – View Return screen.

The most up-to-date files are available when the user navigates to the Return Review screen and clicks View Return.

### 3.3. Numerical Boxes

When the user navigates to the Return Review screen, Numerical Boxes for 2023 have been end-dated and are no longer available. These are replaced with new Numerical Boxes for 2024.

#### 3.3.1. New Numerical Boxes

The boxes will be in order, Descriptions displayed in English and Calculation boxes will be editable for Preparer/Reviewer.

The screenshot shows the 'Return Review' screen with a navigation bar at the top containing 'Files', 'Data Validation', 'Transactions', 'Return Validation', and 'Return Review'. Below the navigation bar, there is a 'Return Boxes' section and a 'Review Return' section. The 'Review Return' section displays a table of Numerical Boxes. The table has columns for Section, Description, Original Value, Submitted Value, Previous Period, Deviations, and Previous. The table lists several boxes with their respective values and deviations.

| Section   | Description                             | Original Value | Submitted Value | Previous Period | Deviations | Previous |
