1.3. List Columns available in Return Boxes pop up for Control List – Czech Rep.

When a user views the return boxes for a Control list and clicks the Eye Icon, the resulting Pop-Up displays the relevant List Columns.

The screenshot displays the 'Return Boxes' interface. At the top, there are tabs for 'Numerical Boxes' and 'Non-Numerical Boxes'. Below these is a table with columns 'Section' and 'Description'. The table lists four sections: A1, A2, A3, and A4. Each section has a description and an eye icon. A red arrow points from the eye icon in the A1 row to a pop-up window titled 'DECLARATION DETAILS - A1'. The pop-up window shows a table with columns: Line Number, Customer VAT Number, Invoice Number, Date Of Supply, Net Amount, and Supply Code. The table contains 6 lines of data. At the bottom of the pop-up, there is a summary row showing 'TOTAL NUMBER OF COMPLETED LINES : 23' and a net amount of '-19054.79'. The pop-up also has navigation buttons like 'Prev', 'Next', and 'View by'.

1.4. Apply All Function – Czech Rep.

Description:

As a Comply User (Preparer/Reviewer), the **Apply All** Function will be available for each editable field in the box pop up. The list of editable columns include; **A1, A2, A3, A4, B1, B2.**

The screenshot displays the 'DECLARATION DETAILS - A1' window in the Comply application. The window features a table with columns: Line Number, Customer VAT Number, Invoice Number, Date Of Supply, Net Amount, and Supply Code. The first two rows of the table are highlighted in blue. A red dashed arrow points from the 'Apply all' button in the first row to the 'Apply all' button in the second row. A red box highlights the 'Apply all' button in the first row. A calendar widget is visible on the right side of the window, showing the date 01/06/2023. The bottom of the window shows a summary bar with 'TOTAL NUMBER OF COMPLETED LINES : 23' and a net amount of '-19054.79'. The bottom navigation bar includes 'Prev', '1', '2', 'Next', and 'View by 15 30 50'.

This makes it easier to understand which transactions have been removed from the Consolidated return.

3.2. Applicable Settings – VAT Groups

Description:

As a Staff User and Client Admin, when an existing entity is added to a VAT Group then the **VAT Group Type**, **VAT Group Type Submission Type**, **VAT Group Preparation Method** are populated with the relevant information. This is effective for future returns which are not submitted.

The screenshot displays the 'All Returns (5)' section of the Comply software. The table lists returns with columns for Frequency, Current Return Status Due Date, Current Return Status Action Owner, Return Period, VAT Group Type, VAT Group Submission Type, VAT Group Preparation Method, and Is Part of VAT Group. The first three columns highlighted in the red box are currently empty for the listed returns.

	03-04-2024	Ani Encheva	Jan-Mar 2024				Yes

3.3. Additional “Blank” Option Added for Filters

Description:

As a Comply user, the option ‘Blank’ is included in the filters for the columns **“VAT Group Preparation Method”**, **“VAT Group Submission Type”**, and **“VAT Group Type”** as they in All Returns and in Transaction Page.

This means that the user can filter the returns with no information in the above.

The screenshot shows the Comply application interface. At the top, there's a header with the Comply logo and the user name 'sstoycheva'. Below the header, there are several filter buttons: 'Assigned to me', 'Entities', 'Jurisdiction', 'Submission Date Range', 'Status', 'Timelines', and 'Return Type'. The main section is titled 'All Returns (7719)' and includes a 'Download' button. Below this, there's a table with columns: 'Due Date', 'Current Return Status Action Owner', 'Return Period', 'VAT Group Submission Type', 'VAT Group Type', 'Input VAT', 'Output VAT', and 'Forecast Ne'. The table contains several rows of data. A dropdown menu is open for the 'VAT Group Submission Type' column, showing options: 'Search VAT Group Submission Ty...', 'Select All', 'Consolidated And Individual', 'Consolidated Submission', 'Individual Submission', and 'Blank'. The 'Blank' option is highlighted with a red box. At the bottom of the table, there are 'Prev' and 'Next' buttons, and a pagination bar showing '1 2 3 4 5 ... 515'.

3.4. Audit Log in the VAT Calculations

Description:

As a Comply User, associated transactions from the Consolidated Return will be automatically recorded in the **Audit History** of the **VAT Calculations**. When transactions or data files are removed or deleted, these changes will be reflected in the full Audit History.

This allows users to quickly understand which transactions have been associated or removed in the VAT Calculations.

4. Additional Changes

4.1. Editing NNBs Disabled for 'Submitted' Return Types (VCCMVP-9663)

Description:

As a Comply user, there are now restrictions on editing the Non-Numerical return boxes for all Return Types if the Return Status is '**Submitted**'. This means that values submitted to the Tax Authority cannot be changed.

Upon navigating to the Return Review screen, there are no tick boxes or edit options available on the Non-Numerical Boxes.

The screenshot shows the 'Return Review' interface for a VAT Return. The status is 'Submitted'. The 'Return Boxes' section is active, showing 'Non-Numerical Boxes'.

4.2. Audit History for Changing Deadline (VCCMVP-10079)

Description:

As a Comply user, when the Admin user makes changes to the Deadline Model for a Return Type this will be recorded in the Audit History page.

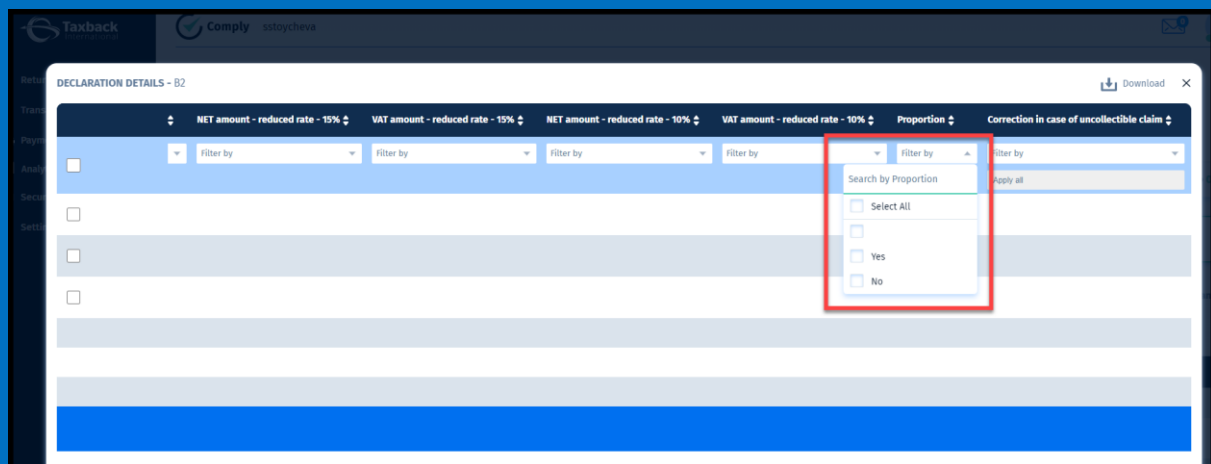

This means that users can remain aware of who made the change, when the change was made, and what the deadlines were prior to the changes.

4.3. Drop Down Menu for List Column Proportion

Description:

As a Comply user (Preparer/Reviewer), the drop down menu in the Proportion B2 numerical return box has three options; Yes, No, Blank. This allows users to complete the required data manually.

4.4. Drop Down Menu for Code of VAT Regime

Description:

As a Comply User (Preparer/Reviewer), there is now a drop down menu with four options in the **Code of VAT Regime** column. This is in the A4 numerical return box.

4.6. Download Option in the Is List boxes – All Jurisdictions

Description:

As a Comply user, there is now the option of downloading the data (as an Excel file) included in the numerical return boxes from type **Is List**. This is available for all jurisdictions and return types.

This makes it easier to review the transactions included in those boxes.
