3. In the **Entity** section, select the Entity to be De-Registered.

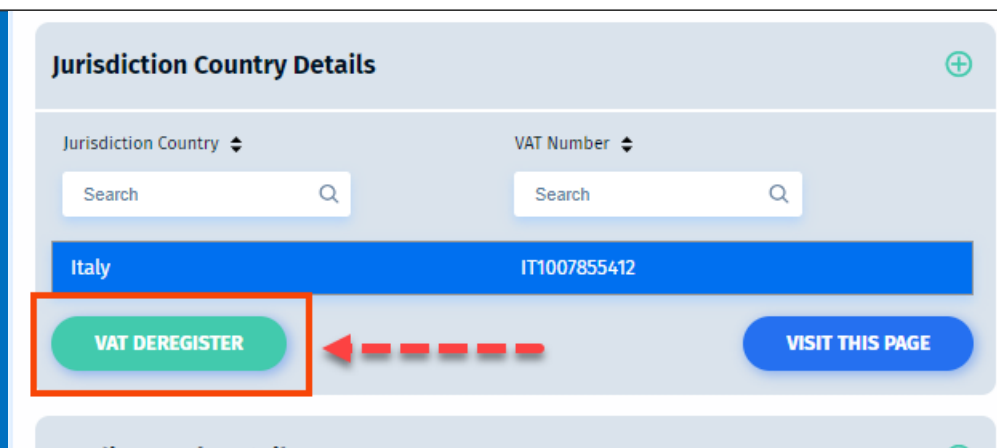

Please note: The Entity must be In Scope.

4. In the **Jurisdiction Country Details** section, click the relevant line item.

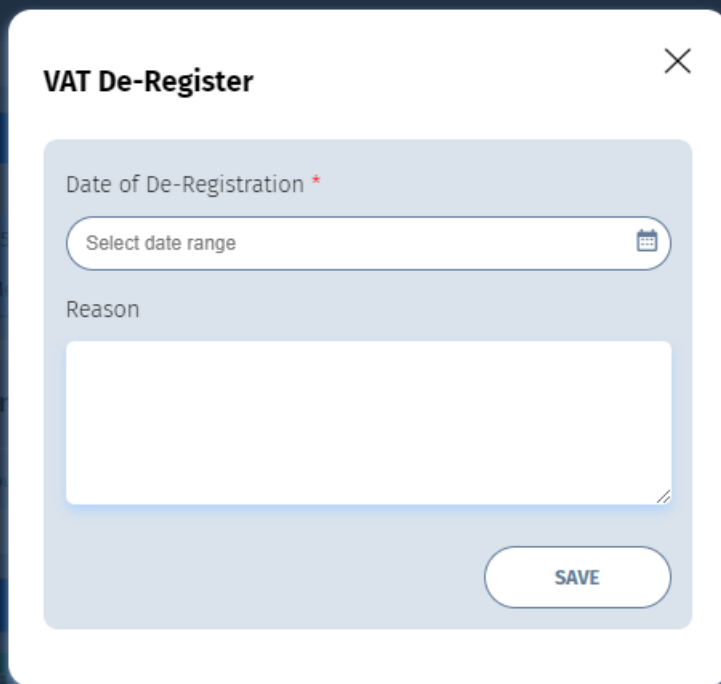

5. The **VAT DEREGISTER** button will now be enabled and will be displayed in Green.

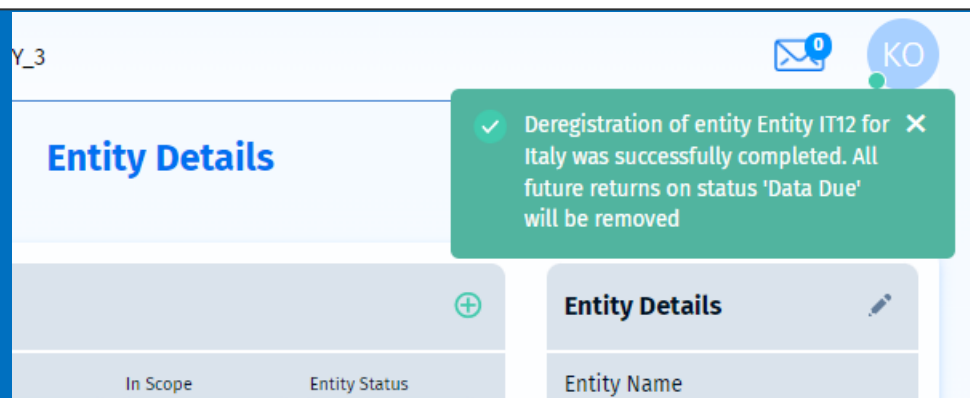

6. Click the **VAT DEREGISTER** button.

7. In the pop-up window, select a relevant Date from the calendar from which you wish the entity to be De-Registered.

The screenshot shows a 'VAT De-Register' pop-up window. It has a title bar with a close button (X). The main content area contains a 'Date of De-Registration *' label, a 'Select date range' button with a calendar icon, a 'Reason' label, a large text input field, and a 'SAVE' button at the bottom right.

8. Add a comment (This is non-mandatory – used only as required)
9. Click the **Save** button.

The screenshot shows the 'Entity Details' page. A green success message box is displayed, stating: 'Deregistration of entity Entity IT12 for Italy was successfully completed. All future returns on status 'Data Due' will be removed'. The page includes a header with a notification icon and a 'KO' status indicator. The main content area has a table with columns 'In Scope' and 'Entity Status'. A 'Entity Details' section is also visible, containing a table with the column 'Entity Name'.

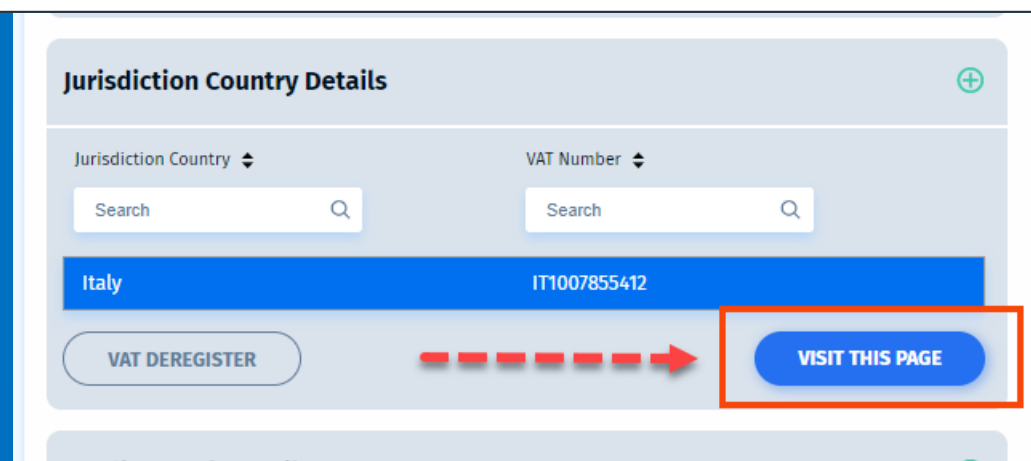

Please Note:

As per the pop up note, all future Returns which are in a status of "Data Due" will be removed.
Any Returns with a status other than "Data Due" (for the current period) should still be processed and submitted.

2.1. Jurisdiction Details Screen.
